to Editor-in-chief ▾

Dear Editor-in-chief,

Regarding to the submission of our article, is that possible if there's any changes to the author's name?

The reason for this is that we need to satisfy the requirement of our research sponsor. Hope to hear from you soon. Thank you.

Regards,
Citra

Thank you for your quick response.
Attached is our article with the edited authors' name. I look forward to hearing from you soon about the publication.
Thank you.

Regards,
Citra
