BERAWA BEACH ARTS FESTIVAL 2019

Pasisi Lango: "Deep Blue Spirit"

Segara (laut), Gunung atau Hulu, dan Teben, (Pasir-Wukir oleh Dang Hyang Nirartha) di Bali, telah menjadi konsep penyatuan yang tidak terpisahkan dari kehidupan religi dan budaya, serta tercermin dalam kehidupan sosial masyarakat. Konsep Nyegara-Gunung adalah bagian penting dalam prosesi penyempurnaan penyatuan Panca Maha Bhuta, dalam alam Mikrokosmos (manusia) dengan alam Makrokosmos. Segara-Gunung merupakan dualitas konseptual yang saling terkait dalam kosmologi religi Hindu Bali.

Dalam konsep masyarakat pesisir laut adalah bagian yang tidak dapat terpisahkan dari keseharian dan telah melingkupi kerangka kesadaran secara kosmologis. Laut adalah tumpuan kehidupan masyarakat, mempengaruhi kesadaran masyarakat. Singkat kata laut adalah bagian integral penyangga seluruh entitas kehidupan masyarakat pesisir. Sejalan dengan program Brawa Beach Arts Festival tahun 2019 mengangkat tema Pasisi Lango: "Deep Blue Spirit", yang memposisikan laut sebagai sumber energi kesadaran. Konsep tema ini diterjemahkan ke dalam kehadiran Gurita Raksasa yang memenuhi areal Pura Perancak yang menjadi lokasi pelaksanaan festival. Kehadiran Gurita gigantik yang mengisi keseluruhan areal pantai Perancak, bagian kepalanya akan menjadi bagian dari panggung utama, tentakel-tentakelnya menjadi bagian dari stand-stand boot festival, dan sebagai petunjuk titik dari keseluruhan area festival termasuk area parkiran dan lainnya. Gurita menjadi brand simbolik dari even dan sekaligus akan menjadi pengajuan untuk perolehan rekor Muri mengambil kategori karya seni unik dan gigantik/ terbesar.

Brawa Beach Arts Festival juga akan menampilkan seni pertunjukkan (Performing arts & Music) berupa: garapan tari dan komposisi musik

yang mengangkat nilai-nilai pesisir Kuta Utara. Juga akan diangkat berbagai jenis panganan lokal yang telah mulai terlupakan di dalam Food & Beverage corner. Gelaran kebudayaan ini adalah Festival Kesenian Masyarakat Pesisir (Pasisi Lango) khusus daerah Kuta Utara. Gelaran ini bertujuan mengangkat nilai-nilai kearifan kebudayaan masyarakat pesisir Bali Selatan terutama di desa Tibubeneng dan sekitarnya. Kehidupan masyarakat pesisir sebagai nelayan, telah lama menjadi penyangga konsumsi ikan masyarakat Bali, tentunya memiliki kearifan tersendiri. Kegiatan ini tidak hanya menjadi ajang kreativitas para seniman, tetapi juga ruang kreativitas kolektif yang melibatkan masyarakat sekitar. Seperti even pertama, festival juga menghadirkan pameran seni rupa seni lukis dan patung.

Karya Instalasi Bambu "Gurita Raksasa" Rekor Muri

Berbeda dengan even pertama yang memecahkan rekor Muri dengan sajian Cak Konser Kolosal 5.555 siswa SMU dan SMK sekabupaten Badung, yang telah menuai kesuksesan dan astungkara berjalan dengan baik. Untuk Brawa Beach Arts Festival tahun 2019 yang mengangkat tema Pasisi Lango: "Deep Blue Spirit", kami berusaha membuat terobosan baru dibalik sensasi Muri dengan kategori kolosal (superlatif) yang semakin manjadi 'latah' belakangan ini.

Kami menghadirkan konsep baru yaitu memecahkan rekor Muri dengan kategori yang lain yaitu, karya seni unik dan gigantik/terbesar dengan membuat karya instalasi gigantik yang mengangkat binatang laut Gurita. Gurita adalah binatang laut yang lekat dengan kehidupan masyarakat menjadi bahan olahan yang lezat masyarakat Tibubeneng diolah menjadi lawar, sate dan sebagainya.

Gurita juga lekat dengan simbol binatang yang identik dengan monster dari laut seperti digambarkan sebagai Kraken dalam film Bajak Laut di lautan Caribia "Pirate of Caribbean". Dipilihnya gurita karena keunikannya, di satu sisi lekat dengan binatang yang ringkih tidak terlalu kuat, namun pada sisi lain juga merepresentasikan

binatang sebagai monster laut yang menyeramkan. Dalam makna lainnya yang ingin di tampilkan bagaimana spirit dasar laut di bawa untuk menggaungkan kepedulian kita kedepannya terhadap potensi laut kita yang semakin hari semakin tercemarkan dan semakin hari semakin polutan jangan sampai dasar laut marah sehingga membawa kesengsaraan buat umat manusia. Dengan datangnya gurita raksasa ke pesisir yang tujuannya untuk mengingatkan kita akan pentingnya menjaga kelestarian laut.

Dengan keunikannya itulah yang menjadikan festival yang ke dua ini mengangkat Gurita sebagai simbol untuk merepresentasikan spirit kesadaran dari dalam lautan (Deep Blue Spirit). Konsep tema ini diterjemahkan ke dalam kehadiran Gurita Raksasa yang menjadi bagian dari panggung utama.

Pameran Seni Rupa

Pameran seni rupa ditata sedemikian rupa menyulap ruang publik wantilan Pura Perancak menjadi ruang pameran yang representatif. Karya yang akan dipamerkan meliputi, karya dua dimensi dan tiga dimensi berupa lukisan dan seni patung. Pameran akan diikuti oleh puluhan perupa Bali telah memiliki reputasi nasional dan internasional terutama Perupa Badung, dan daerah Bali. Selain itu juga mengundang perupa luar Bali asal Yogyakarta, Bandung dan Batu-Malang. Selain pameran seni lukis BBAF juga menghadirkan karya seni patung pesisir berjudul Sculpture on the Beach dengan konsep sejajar dengan Sculpture by the Sea yang telah terkenal di Australia dan Eropa.

SURYANI

My name is Nanik Suryani, my artist name is Suryani. I was born at Banyuwangi East Java.

I have graduated from Stiba University in Malang, East Java, Indonesia with a bachelor of arts degree in foreign literature and languages, I fell in love with art and I cannot stop loving it. I read a book “Everyone can draw” which motivated me to start learning how to draw, I then completed a private art course for 6 months, it turns out that I am an artist. Bali inspired me as strongly as the artistic blood is flowing in me. Artists such as William Hofker and Ton Schulten have inspired and influenced my style of art. Aboriginal art also has had a profound influence.

By following modern arts and through self-development, I have finally became a consensism artist.

Consensism style is characterized by abstract geometric compositional works in balance with the roots of impressionism and the elements of shape, light and color.
