

KORESPONDENSI PROSES PENERBITAN ARTIKEL PADA JURNAL JPPPD

Artikel dengan title:

The influence of support program in the development of thermal irrigation canal on rice production improvement in Pohuwato District

Korespondensi kepada penulis pertama a.n. Amir Halid, sementara saya Muh. Amir Arham adalah penulis kedua pada artikel tersebut. Meskipun demikian saya lampirkan cuplikan korespondensi antara editor dan author pertama.

Dear Author's (Amir Halid, Muh. Amir Arham, Sri Astuti Mannopo)

The editorial committee responsible for the manuscript "The influence of support program in the development of thermal irrigation canal on rice production improvement in Pohuwato District" submitted to Jurnal Perspektif Pembiayaan dan Pembangunan Daerah (Journal of Perspectives on Financing and Regional Development), has reached a final decision based on the blind reviewers' comments.

The decision is to Accept after major revision

Please find attached the review of your paper. We expect to receive your revised manuscript within two weeks. However, we appreciate your prompt response. Upload the revised manuscript through the 'Upload File Revisions' by logging into your account. Please send a copy of the revised version to jppd.journal@gmail.com.

Wassalam

Amir Arham
