Dear Author(s),

Thank you very much for submitting your research article to *Journal of Asian Finance, Economics and Business (JAFEB)*. We have read the paper and we found that the topic is very interesting and the manuscript showcases commendable research integrity. However the editorial board does not believe that the current manuscript meets the standards and submission guidelines of the journal.

The JAFEB Editorial Board respects and promotes all authors and contributors on the basis of research ability and experience **without considering race, ethnicity, nationality, citizenship, financial means, or any of narrow frames of reference**.

Article Publication Charge (APC): JAFEB is an Open Access journal accessible for free on the Internet. Yet, the print and online publication process does involve costs including those pertaining to setup and maintenance of the publication infrastructure, routine operation of the journal, processing of manuscripts through peer-reviews, editing, publishing, maintaining the scholarly record, and archiving. There are NO submission charges for JAFEB whether the article is rejected, reviewed, or accepted. **[Important:** After the external reviews having completed if the paper gets accepted in favor of publication on the journal then an official invoice of APC will be followed. JAFEB Self-Citation Restriction Policy regulates that the self-citation level should not exceed 10% for authors and 20% for co-authors together and 15% for JAFEB. Please rewrite and remove any outnumbered self-citations, if any corrections required in your case. If the reference checker (software) finds that the author(s) break the rules, then the manuscript will be automatically rejected by the Desk Editor without further review.</p>	<p>We have conducted self-citation with the objective to compare studies in recent literature and further compare our findings with existing literature.
