Berikut kami kirimkan surat pernyataan publikasi dan bukti pembayaran, serta draft artikel kami kirimkan kembali karena ada kesalahan penggunaan istilah -- tenaga kerja-- sebelumnya menggunakan kalimat "workforce" seharusnya "labor"

Terima kasih

Wassalam

#### General comments

Articles are very contextual with the phenomenon that is happening and in accordance with the publication objectives. Therefore, it is recommended that this article be published in Jurnal Perspektif Pembiayaan dan Pembangunan Daerah.

#### Specific comments

- The composition of the paragraph in this manuscript is too long. Restructure the paragraphs in this manuscript based on the provisions, one paragraph contains only one theme.
- Re-check the use of words / terms and translations. Use standard terms, standardized and in accordance with the method of writing scientific papers (professional proofreading).
- Separate the conclusion section with the recommendation section
