Dear Professor Irvin Novita Arifin

Thank you for your interest regarding our publications and for choosing us in order to publish your valuable research.

The submitted manuscript has been successfully received.

The research topic of the submitted manuscript is in concordance with the covered disciplines of the selected journal.

Before sending the manuscript for being reviewed, please consider to give a look to our publication procedure:

1. The article will be independently and blind peer reviewed. The necessary amount of time depends from an article to another, from a reviewer to another; usually, in around a week we will be able to provide a preliminary opinion.
2. If the submitted manuscript is accepted, a processing fee of 70USD is required in order to continue the publishing process.

There are no other processing fees. There are no pages, content or authors limits of any kind. The processing fee remains the same no matter how many pages, authors, graphic content, etc. the article may have.

3. As modalities of payment we offer: PayPal and 2checkout (any international credit/debit card accepted), International Bank transfer (Swift, ACH, EFTS) and Money Gram \ Western Union.

Authors from countries that have difficulties on transferring funds abroad (IR, IN, NG, etc.) are asked to contact us: alternative payments methods (local bank transfers, etc) are available.

4. After the payment is confirmed, the article will be edited on our publishing format and a DOI will be reserved. The articles will be published in the current issue of the selected journal. If necessary, content updates \ adjustments may be operated before publication.

5. A soft-copy (\*.pdf file) of the article and a certificate of publication are issued and sent to the author after publication. On request, after the issue is closed, hard copies may be printed and shipped.

6. The author(s) retains the copyrights of the published research and accept that his\their published research will be available on-line under a Creative Commons 4.0 License and irrevocably assign(s) the rights of first publication to the publisher on the selected journal.

7. As soon as the issue is closed, the publication procedure concludes with the activation of the DOI (Digital Object Identifier).

In order to begin the publication process please confirm us the acknowledgment of our publishing policies.

Best regards  
Emil Constantin

Dear Editor,

The content list on the website the title of the article is incorrect. It should be "THE INFLUENCE OF LEARNING MOTIVATION ON BASIC CONCEPTS OF NATURAL SCIENCES LEARNING OUTCOMES" without "2". However, in the dpf document you shared the title is correct.

Thank you.

Best regards
