Dear Dr. Yuniarti Koniyo,

We received your manuscript. We will need some time for a preliminary evaluation.

Since I will be your editor, keep in touch with me only from now. Dr. Petrescu-Mag will not be aware about the paper's progress.

Then, kindly send me the submission letter too. You can download the template from the journal's website, on the left side of the Menu: <http://www.bioflux.com.ro/>.

Thank you very much!

With best regards,  
Claudiu Gavrioloaie, PhD

Dear Dr. Yuniarti Koniyo,

Your paper did not pass the preliminary evaluation, mainly because of the low quality of English. So, ask for help from a native speaker or a professional to correct the whole paper.

Then, you used *Oreochromis niloticus* as scientific name of the red tilapia. This is not possible since the red tilapia is a hybrid. Until today there are many opinions about the parental species. There are more species involved in the creation of this hybrid called red-tilapia. So, please take into account this aspect too within the whole paper.

Thank you!

Sincerely yours,  
Claudiu Gavrioloaie

Dear Dr. Yuniarti Koniyo,

The paper is way better than the first variant. So, I have sent it to reviewers weeks ago. I hope to have their comments soon.

Meantime kindly pay the processing fee of 250 USD + bank taxes. For that, use only one of the variants below and then send me a scan copy of the bank document.

Thank you very much!

Cordially yours,  
Claudiu Gavriloaie

**1st variant of payment:**

Beneficiary: Bioflux SRL

City: Cluj-Napoca,

Country: Romania, European Union;

SWIFT CODE of the bank: BTRLRO22

Account no. 213USDCRT00L2861401

IBAN:

USD: **RO68BTRL01302202L28614XX** (Cluj-Napoca)

EURO: **RO19BTRL01304202L28614XX** (Cluj-Napoca)

Bank:

BANCA TRANSILVANIA

**Important!** When bank transfer is used to pay a publication fee, please pay attention to which modality of payment you chose! There are three options: Ben, Our, Us.

Use always "Us" option (meaning that all the bank transfer costs are in your concern/ authors support them and not the publisher). If you forgot to mention that and you let the bank to set "Ben" or "Our" options, we receive about 220 usd instead of 250 usd. Such payments are not valid and you need to pay again for the rest of the sum and one more transfer charge.

**2nd variant of payment:**

via Paypal. If you can process such a payment we can start the online form. For this variant, please contact dr. Petrescu-Mag ([zoobiomag2004@yahoo.com](mailto:zoobiomag2004@yahoo.com)).

Dear Dr. Yuniarti Koniyo,

Here you have the full review of the paper. We did a huge editing work and lots of English improvements. Speaking about English, ask a very good speaker to check again the whole paper because it still needs significant improvements.

Work only in the attached document, address all the comments and **highlight with a bright color all the changes you will do in text.**

Thank you!

Sincerely yours,  
Claudiu Gavriolaie
